

Stop Work Policy

MHB is committed to safeguarding the safety and well-being of all individuals, conserving the natural environment and delivering contractually agreed products and/or services.

It is the Company's policy that all individuals have the right to stop work when there is an immediate threat to the safety and well-being of the workforce, the natural environment, or the quality of products and/or services.

In situations where there are any doubts or uncertainties whether work should be stopped, employees including contractors are required to immediately notify their immediate supervisor of any hazardous situations or potential non-conformances of quality that may impact both the products and/or the services.

Dasar Menghentikan Kerja

MHB bertanggungjawab melindungi keselamatan dan kesihatan semua individu, memulihara persekitaran semulajadi dan menghasilkan produk dan/atau perkhidmatan seperti yang termaktub di dalam kontrak.

Adalah menjadi dasar Syarikat bahawa semua individu berhak menghentikan kerja-kerja apabila terdapat keadaan yang menggugat keselamatan dan kesihatan pekerja-pekerja, persekitaran semulajadi atau kualiti produk dan/atau perkhidmatan.

Dalam situasi di mana terdapat sebarang keraguan atau ketidakpastian sama ada kerja-kerja perlu dihentikan, pekerja-pekerja termasuk kontraktor dikehendaki segera memaklumkan penyelia bertugas tentang sebarang situasi berbahaya atau berpotensi mengakibatkan sebarang ketidakpatuhan terhadap kualiti produk dan/atau perkhidmatan.
